56th Annual Meeting - Atlanta, Georgia, USA

The 2025 DDA meeting will take place May 19-23 in Atlanta, GA, on the campus of Georgia Institute of Technology **[1]**

We will have a five-day format that incorporates a hybrid approach with a robust attendance experience for both in-person and remote attendees. Additionally, it is a priority for us to continue improving the experience for poster presenters, both in-person and remote.

The conference will host the oral and poster sessions, as well as the public lecture, in the Exhibition Hall [2] (map [3]).

A banquet will be held at the Georgia Tech Hotel & Conference Center [4], and a pre-conference reception will take place at the Student Success Center [5].

Hotels: There are several hotels conveniently located near the Georgia Tech campus, including the **Georgia Tech Hotel and Conference Center** [6] and the **Hampton Inn Atlanta-Georgia Tech-Downtown** [7]. Both are within walking distance of the Exhibition Hall, where the meeting will be held. The **Georgia Tech Trolley** [8]—a complimentary shuttle service operated by the Institute—provides regular transportation between Georgia Tech hotel (near the Tech Square station) and the Exhibition Hall. For real-time shuttle tracking and more information, please visit the Georgia Tech Bus Tracker [9].

Here's the link [10] to the nearby hotels. For more information about the venue and parking, please refer to the details here [11].
