The city of Paraty (which means "white fish" in the Tupi indian language)

is located over the sea, 155 miles West of Rio de Janeiro and 172 miles NE of São Paulo. It was founded in 1597 and has an historical downtown with a well preserved colonial architecture.

The venue is at walking distance from several hotels and restaurants in the historical neighborhood.

How to Arrive

The Rio de Janeiro International Airport (Galeão - GIG) is served by several major airlines. There are direct flights daily from/to Atlanta, Miami, New York, Charlotte, Houston, Washington, Paris, London, Frankfurt, Lisbon and Rome.

Arrival flights to Rio de Janeiro from the USA are mostly scheduled between 10 AM and 1 PM (Local Time). Departure flights to the USA are mostly scheduled between 8 PM and 12 PM. We request participants to try to book their flights within these time windows in order to facilitate the transport to/from Paraty (see below).

The travel between Rio de Janeiro and Paraty takes about 4 hours.

Alternatively, participants may fly to/from São Paulo International Airport (Guarulhos - GRU). The travel between São Paulo and Paraty takes about 4,5 hours.

Transport to/from Paraty ::: PLEASE READ CAREFULLY

The organizers will offer a free shuttle service between Rio de Janeiro International Airport and Paraty, at the following tentative schedules:

- Sunday, May 5, morning.....Rio-Paraty
- Sunday, May 5, early afternoon...Rio-Paraty
- Thursday, May 9, afternoon.....Paraty-Rio

Additional services might be offered on Saturday, May 4, if there is enough demand. The exact departure times of the shuttles will be informed in a future announcement.

<https://www.metaeventos.net/inscricoes/index.php?id=453>

The deadline for sending the shuttle form is March 27.

The shuttle service is free only for registered participants and registered accompanying people (including children under 10). The use of the service by unregistered accompanying people requires the payment of \$60 (per person, round trip) and may be subject to availability.

NOTE: The shuttle service will be scheduled to suit as many participants as possible. The organizers will not reimburse participantes that do not or cannot use this service for whatever reason (including flight delays).

Participants that cannot set their arrival times to fit the shuttle schedule must arrange transportation on their own. The following alternatives are available:

- The company Paraty Tours offers a direct transfer service from Rio de Janeiro and São Paulo Airports to Paraty, at an approximate cost of \$75 (per person, one way trip). Check <http://www.paratytours.com.br/>

- The company Costa Verde offers a regular bus service from the Rio de Janeiro Bus Station (Terminal Novo Rio) to Paraty. The service departs approximately every 2 hours between 5 AM and 9 PM, and costs \$30 (per person, one way trip). From the Airport to the Bus Station the best option is a taxi (approx. \$25-\$30).

Please, contact the meeting Secretariat for further information. Participants hosted at this hotel in Rio will have free transportation to/from Paraty on Sunday/Thursday.

Visa Issues ::: PLEASE READ CAREFULLY

USA CITIZENS NEED A VISA TO ENTER IN BRAZIL.

The simplest option is to get a Tourist Visa at the Brazilian Consulate nearest to your residence. The time required to get the visa is usually fast, about 10 working days, but we recommend to do it well in advance, i.e. AT LEAST 30 TO 40 DAYS BEFORE TRAVEL.

To get a Tourist Visa it is NOT necessary to have a letter of invitation, but the Consulate will request to show the RETURN FLIGHT TICKET, as well as a passport with at least 6 month of validity and 2 blank pages.

Some companies offer an express service for visa issue by post. Check the following alternatives:

<http://www.passportvisasexpress.com/>

<http://www.brazilvisaservice.com/>

<http://www.visaexpress.net/brazil/>

<http://brazil.embassy-online.net/>

It appears that employees from USA National Labs and/or military institutions (like USNO) must follow specific procedures through their home institutions to get the visa. Please, be aware that these procedures may take longer than the usual time to get a tourist visa.

Nationals of the following countries DO NOT NEED A VISA to enter in Brazil as tourist:

Andorra, Argentina, Austria, Bahamas, Barbados, Belgium, Bolivia, Bulgaria, Chile, Cyprus, Colombia, Costa Rica, Croatia, Czech Republic, Denmark, El Salvador, Ecuador, Estonia, Finland, France, Germany, Greece, Guatemala, Guyana, Honduras, Hong Kong, Hungary, Ireland, Iceland, Israel, Italy, Latvia, Liechtenstein, Lithuania, Luxembourg, Macau, Malaysia, Malta, Morocco, Monaco, Namibia, Norway, New Zealand, Netherlands, Panama, Paraguay, Peru, Philippines, Poland, Portugal, Romania, Russia, San Marino, Slovakia, Slovenia, South Africa, South Korea, Spain, Sweden, Switzerland, Suriname, Thailand, Trinidad and Tobago, Tunisia, Turkey, United Kingdom, Ukraine, Uruguay, Vatican, Venezuela.

NOTE: The organizers will not undertake any responsibility over participants that miss their travel due to visa problems, nor will refund them in any way.

Letter of Invitation

The Registration Form has a specific field to request for a letter of invitation. Letters will be sent only to participants who ask for.

Student Stipends

The DDA will distribute two student stipends of \$600 each for non-South American students, on a competitive basis. Check the specific rules in the meeting webpage. The deadline for application is February 1.

A limited number of stipends for South American students will be provided by the LOC, also on a competitive basis. Please, contact the LOC chairs for further information. The deadline for application is March 15.

Local Time, Currency, and Weather

Paraty and Rio de Janeiro are located at UTC -3 hours.

The local currency is the Brazilian Real (BRL or R\$). The present exchange rate is approx. 1 USD = 2,1 BRL and 1 EUR = 2,7 BRL. You may exchange money upon arrival at the airport. Visa, Master and Amex credit cards are also widely accepted.

The weather in May is usually very pleasant, with an average temperature of 25°C (77°F) and almost no rain. We recommend to bring mid season clothes.
