The 2017 American Astronomical Society Division of Dynamical Astronomy Meeting is co-sponsored by the AAS DDA and the Royal Astronomical Society. [1]
The meeting will be held from Sunday June 11 to Thursday June 15, 2017 at

Queen Mary University of London [2]
327 Mile End Road
London, E1 4NS
United Kingdom

The annual DDA Meeting brings together top researchers in astronomy, astrophysics, planetary science, and astrodynamics for in-depth and stimulating discussions and talks on all aspects of dynamics in the space sciences. The DDA meeting features invited talks on a range of topics, contributed talks (with no parallel sessions), and posters that can be displayed throughout the entire meeting.

DDA fully supports and implements AAS Anti-Harassment Policy [3]. The code of conduct for RAS Meetings is also in effect. If you experience any form harassment at DDA Meetings, please contact any of the DDA Officers [4].
